

January 2026 Newsletter

Dear member, player, parent,

As January comes to an end, a big welcome back to everyone at Letchworth Sports and Tennis Club after the Christmas break. We hope you had a great festive season and are feeling refreshed and ready to get back into the swing of things. The club is buzzing again, and it's lovely to see familiar faces returning to the courts and clubhouse as we start the year together.

Kids Zone Court Update

Due to ongoing poor weather conditions, Chiltern Court Surfaces have had to postpone the installation of the Tiger Turf on the Kids Zone court. The installation requires two clear, dry days, so we are currently monitoring the weather closely. As soon as a confirmed installation date is available, we will provide a further update to members. In the meantime, the court remains fully playable.

Club Events Calendar

We've added a shared events calendar to the club website so you can easily see what's coming up. It's regularly updated with bank holidays, club events, and tournaments—and it's a handy way to spot when courts might be booked out, so you can plan your game time without surprises. Tennis Programme Update

2026 is getting off to a strong start, following a successful end to 2025. There was the demand for another junior group in the week which became fully booked almost immediately. Our adult groups maintain their popularity and our mini players are continuing to progress nicely into our Academy Squads. This highlights the level of potential in many of our up-and-coming players, also strengthening our performance programme. Our younger players are showing a great level of commitment to their tennis which is really rewarding for the coaches to witness.

We have a new instructor, Dean Taylor leading on the Academy Squads' Fitness sessions. We're excited to have Dean working within our team and looking forward to seeing his innovative ideas implemented over the coming weeks.

The half-term is already nearly upon us and the kids camp is available now to book online.

Croquet News

The Croquet Club is battling with waterlogged lawns and foxes who insist on digging quite large deep holes looking for worms. Several members are playing whenever the weather permits. We are making plans though for a busy playing season ahead including a coaching course for new members in April.

Muddy Lane Café

To change things up this winter, we've got some delicious new bakes for you to try — and we'll also be introducing a brand-new toastie flavour! Next time you're in, take a look at what's on offer and enjoy.

Club Sponsorship Opportunities

We are currently seeking sponsorship opportunities for the Club and would love to hear from any members who own or represent a business they would like to promote.

There is an opportunity to display advertising banners on the far walls of our indoor tennis courts, providing excellent visibility to players and spectators. In addition, advertising space is also available within the squash block.

If you are interested in promoting your business in this way and would like further information on availability, costs, or other details, please do not hesitate to get in touch.

Thank you for reading, stay healthy and fit and we look forward to seeing you in the Club very soon.

Kind regards

Mel
